MEMORANDUM FOR:

[REDACTED]  
2064 J Building

SUBJECT:

[REDACTED]

25X1

1. Subject patent has been reviewed by our R&D Division and I am advised that the patent is on a process that is currently being used by the R&D Division. This process is being carried on a SECRET classification; therefore, any patent should be granted under the same secrecy classification.

2. The file on subject patent is being returned here-with.
